Daisy's Destruction

The video is debated to be from 5-20 minutes. In the video two adults, one male and one female, sexually torture a young girl (age isn't specified, but definitely CP) I didn't get too many details, but some of the following apparently happens: Something similar to alligator clips are used on the girl. The girl is beaten several times. The girl is defecated on, and smeared with it. Lastly, her limbs are severed using a machete and then her throat is slit while blood pours out of the wounds.

Not sure how accurate that is, but that's just what I've heard in forums and wouldn't be surprised if they were correct.
